## M/Y BELLISSIMA

### Details

Cruise along the Mediterranean coastline in a stylish Mangusta 107. This is the latest model with the hard top and is impressive in her volume and presence. The design has been focused around top performance and special attention to passenger comfort. With speeds of up to 33 knots, Bellissima can provide a lively itinerary from St Tropez to the Italian Riviera.

After an interior refit in 2005, Bellissima has a unique layout with two saloons, each equipped with a full entertainment system and a large LCD. Rich fabrics and decorations have been carefully chosen to enhance the elegant interior.

The Superior Saloon is covered by a hard top and as an alternative it can be opened up.

Bellissima offers many options such as well-appointed sunbathing areas and a deck Jacuzzi.

The professional Captain and crew are ready to welcome you onboard.
