M/Y ALVINA

M/Y ALVINA

Details

Launched in **July 2005**, the M/V Alvina is now available for charter. This Azimut 68 Evolution is the latest upgrade of the highly popular model, the 68 plus, featuring all the elements and finely tuned modifications thought to be lacking in her older sister.

With an impressive full beam master cabin, the Alvina offers sumptuous accommodation for a **total of 8 guests in 4 well appointed cabins**, all fully air conditioned and with their own ensuite facilities.

Alvina's friendly **crew of 2**, including captain Yves Gouyon look forward to welcoming you on board.
