PARSIFAL III sets new standards in sailing excellence whilst maintaining levels of comfort and offering amenities rarely found. The clean lines of her aluminium hull, carbon fibre rig and in-furling boom guarantee that she offers a sailing experience that is incomparable.

She will be the fastest Perini launched and her speed will only be exceeded by the level of luxury she offers. The sleek lines of her jet-black hull contrast against the brilliant white of her superstructure making her remarkable as truly the forerunner in a new era of Perini Navi design.

In perfect harmony with her striking exterior, her interior was designed by the world famous Remi Tessier and is a magnificent blend of dark ebony, wenge, and light sycamore with stainless steel and fine leather accents.

The craftsmanship is exquisite and is complemented by natural textures and textiles that give this ultra modern yacht a warm, inviting and restful feeling.
