THE YACHT

Totally new to the charter market for 2018 season, WILLOW is set to be a really favourite for private charter, based predominantly in the south of France. This 42m Benetti superyacht is the latest edition of the Veloce 140 (ft) series from the renowned Benetti shipyard. Lightweight construction of composite materials means that, whilst WILLOW feels like a solid steel displacement yacht, she has the benefit of speed – up to 24 knots getting you further afield in comfort. Featuring extensive deck spaces, a bright and modern interior style, beach club with a large array of water toys and her five well-appointed and light cabins; making WILLOW the ideal charter yacht for summer holidays in the south of France with family and friends! Note that WILLOW is registered as an RYA training centre, meaning that ALL guests can be issued with temporary PWC jet ski permits to use the jet skis freely for the duration of the charter!

Captain Russell Short and his amazing and experienced crew look forward to welcoming you aboard for a memorable cruise in the south of France – offering a unique combination of culture, climate and breath-taking coastlines.
